

HVAC Commercial Install / Special Projects

North American Mechanical, Inc. (NAMI) is seeking experienced HVAC Installers to work with our commercial Service Install Team on HVAC projects; including replacements, retrofits and remodels in the Madison and surrounding area. The position will work as part of an experienced team to install and perform work on commercial HVAC systems including pipefitting, sheet metal, and equipment installations. Commercial and Residential HVAC installers may apply.

A career at North American Mechanical - Comfort Systems USA means being part of a team and being proud of it! It means working safely and exceeding customer expectations. It means learning and growing your career, while striving for excellence, both personally and professionally. We offer an environment centered on care for our people and our customers and a full benefits slate including medical, dental, vision, life, 401K, paid holidays & vacation as well as paid training, company vehicle and year - end bonus potential.
